

Introduction

In 1998, following reorganisation and a name change to Scott Wilson, Scott Wilson Scotland, Scott Wilson Railways etc and the introduction of the new Scott Wilson logo and identity, numerous marketing items, from flags to golf tees, were commissioned and distributed to the various companies, groups and marketing departments throughout the worldwide Scott Wilson Group.

Prior to 1998, such marketing material and identity was generally limited to letter headings, the standard Association of Consulting Engineers [ACE] Project Signboard and the occasional sticker for application to notebooks, files and the like.

Included here are photographs of marketing memorabilia held by Jim McCafferty, Bob McGowan and Ronnie Hunter. As will be seen, they appear to have had different interests, tastes or levels of access to this material.

Some 'non standard' memorabilia has been included for interest.
