As this was the 100th ICE Glasgow + West of Scotland Dinner, although G&WofS is older than 100 years, Jim Mc Cafferty invited his fellow Directors on the SW Main Board to join SW Scotland and guests at the ICE Dinner Glasgow.

SW Railways Scotland also had tables so Scott Wilson ~~was~~ was well represented and got a special mention from the Top Table.

Alasdair

1. I refer to our recent discussions concerning my suggestion that Awards made by ICE and presented at Great George Street should be presented at the Glasgow Dinner each year.

In particular, I mentioned to you The Parkman Medal 2003 awarded to

Mike Hackney	Scott Wilson Scotland
Andy Stocks	Carillion
Colin Dodson	Scott Wilson Railways (Network Rail)

For their paper "Float Viaduct – a high speed rail bridge replacement" – over the River Clyde near Carstairs.

I trust that you will be able to arrange for the President to re-present the medals at the Dinner. If you agree, I will ask Mike Hackney to provide the medals to you before the Dinner.

2. For interest, I remind you that Scott Wilson are out in even bigger force this year to support the 100th Dinner and have as guests the Main International Board who will be meeting in Glasgow the next day. 25% of the Main Board are, or were, members of G&W of S Association.

Regards

James McCafferty

Alasdair

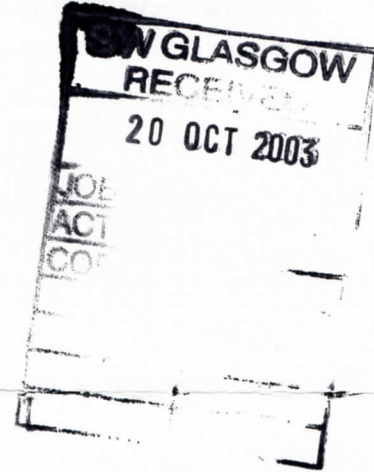

Further to our recent telephone call, I have just found your letter of 17 October – I have been away on leave!

As previously advised, I will be a Scott Wilson table this year and will arrange to hand over the Parkman Medals and citation to your appointed person before the Dinner.

Regards and Good Luck.

Jim

17 October 2003

Dear *Jim,*

**THE INSTITUTION OF CIVIL ENGINEERS
 GLASGOW AND WEST OF SCOTLAND
 100TH ANNUAL DINNER - 27 NOVEMBER 2003**

As you can see from the above our forthcoming Dinner is our 100th, so I am indeed most fortunate to be the Chairman for what, I hope, will be a special occasion.

The tradition is well established for the Past Chairman of the Association to sit together, if they so wish at "The Past Chairman's Table".

Therefore, again we are setting aside tables hosted by our Honorary Treasurer, for Past Chairman who would prefer to sit in the company of their fellow Past Chairman. I will be delighted if you are able to attend.

The seating again will be at round tables but as in the past you are requested to pay for your own ticket. You may already have made application for your ticket. However please advise me if you wish to sit at the "Past Chairman's Table" if you have not already done so in your application to Brian Swan.

Before the Dinner you are cordially invited to join the new ICE President Mr Douglas Oakervee, other guests and myself at the pre-dinner reception. I do hope you can join us and I look forward to welcoming you on the evening.

Yours sincerely

Alasdair MacLennan

Alasdair MacLennan
 Chairman

P.S. Thanks for the "Pastman" letter. I will deal with that, regards Alasdair
