Dear Mr McCafferty

**ANNUAL CIVIL ENGINEERING LECTURE 2003**

The Annual Civil Engineering lecture will take place on the 9<sup>th</sup> of September in the Court Senate Suite, Collins Building, University of Strathclyde (5.30 for 6.00pm).

We have pleasure in announcing that Professor Sam Thorburn OBE, Founder of Thorburn Colquhoun (now URS), Past President of the Institution of Structural Engineers and Institution Gold Medal winner 2003, has agreed to present his Gold Medal Address to a Scottish audience. "The World of Foundation Engineering" was originally presented in London in June and provides both an historical and state of art treatise on the interaction of Foundations with Structures.

A finger buffet, tea and coffee will be served at 5.30 pm before the lecture which will start at 6.00pm. Professor Andrew Hamnett, the University's Principal and Vice-Chancellor, will chair the evening. If you wish to attend please contact Fiona MacDonald (contact details below)

Yours sincerely
