Dear Jim

**Institution of Civil Engineers: Glasgow and West of Scotland Region
Annual Dinner: Thursday 30th November 2006**

You will be aware that this year's Glasgow & West of Scotland Region Annual Dinner is being held in the Thistle Hotel on Thursday, 30th November 2006.

Should you be attending the dinner, I would like to extend an invitation to you to join us for pre-dinner drinks in the Clarinda Suite from 18.15 onwards.

It may be the case that you are joining one of the company tables for the evening, but as is normally the case, we will have a Past Chairmen's table, which will be hosted by our Treasurer, Stewart Robertson.

Can you please let me know if you will be attending the reception and if you would wish us to reserve a place for you at the Past Chairmen's table.

Yours sincerely,

Alan G. Simpson
Chairman
Glasgow & West of Scotland Region

18 October 2006

Dear Alan

**Institution of Civil Engineers: Glasgow and West of Scotland Region
Annual Dinner: Thursday 30 November 2006**

Many thanks for your letter of 11 October 2006.

I shall be attending the dinner with Scott Wilson this year but hope to call in at the Clarinda Suite to meet you and others from ICE sometime after 18.15.

I may well be a candidate for the Past Chairman's Table next year!

Yours sincerely
for SCOTT WILSON SCOTLAND LTD

J P McCafferty

As I retired from Scott Wilson in spring 2007, this was indeed my last attendance at the ICE (a day after) dinner with Scott Wilson (a WRS & Aecom!). Thereafter, I attended the ICE Dinner, Glasgow at the Past chairman's Table.
