

KW [Ken] Innes in 1977

The story of Ken Innes's involvement in the growth of Scott Wilson Kirkpatrick & Partners will be told elsewhere in the history of the Firm. Having succeeded Geoffrey Williams, he was the Senior Partner for several years and was, himself, succeeded by Phil Green, Bob McGowan then Geoff French.

Ken was Senior Partner when Hugh Blackwood and I were made Partners [at the same time as Bob McKittrick, and Chris Sketchley]. Ken advised Hugh and me at a private dinner party for Ken and Jean Innes, Bob and Mavis McGowan, Jim and Yvonne McCafferty and Hugh and Anna Blackwood at 'The Buttery' Glasgow. It had been a well kept secret and was a splendid surprise at the table.

Ken Innes was always very supportive of Scott Wilson Scotland and the Glasgow Office.
