

**SW Glasgow Staff 1963 and 1976 [Cullen JM]**

The attached photographs were provided by John M Cullen form his archive. They also appeared in one or more of John M Cullen's publications on the Glasgow Motorways and how it was planned and constructed. It should be noted that 'Baillie Taylor' and 'Agent Fairclough' in the 1976 photograph of the opening of M8 Renfrew Motorway Stages 1 &2 should, respectively, be 'Councillor Thomas Fulton JP, Chairman and Councillor Malcolm Waugh, Member, of the Highways and Transportation Committee, Strathclyde Regional Council.

The photograph of John Cullen in the blazer and tie of The Royal Technical College, Glasgow is from c1949 and that of Roy Hodgen is probably from c2000.

The photograph of the Glasgow Office Bridges Section was also provided separately by Brian McKenna who marked up some of the names.

These photographs, and extracts showing key individuals, are included elsewhere in Appendix 2 and also, for the 1976 photograph of the opening of M8 Renfrew Motorway, in Appendix 1: 'Mainly Projects'.
